COMMUNICATION REPORT

Mr. Farrell discussed his report by and discussed the Reid Building and the last non-elderly residents moving out. We will be working with Episcopal House on the transfer of assistance for HUD approval. He discussed Constellation Energy program’s calculations and reimbursement money they owe the Housing Authority. Mr. Farrell added, we are waiting for information on the smart meters from PP&L to give Constellation Energy this information. He added that he attached to his report a list of sealed bids we will be putting out in 2020 that Mr. Bañuelos had asked for at a previous meeting. He also told the Board that we have submitted an application for assistance with installing CO2 detectors in our high-rises and believe we may have been selected to receive some part of that $250,000 assistance. The Board discussed the vacancy list and the waiting list.

Mr. Day discussed his report and 2020 projects that will be going out for sealed bids. He discussed the elevator replacement project at Gross Towers and the pre-bid meeting that was held. He told the Board that bids for that project will be due on January 10. He spoke about future activities such as the Gross Towers Community Room HVAC replacement, which will go out for sealed bids in January. He explained to the Board there is an emergency Gross Towers heater/boiler replacement project we are dealing with at this time. He discussed the proposal we received to replace the units and that this is the resolution that will be discussed later in our meeting. He went on to discuss Walnut Manor’s exterior and landscape work this is scheduled for 2020 as well as exterior projects at Gross Towers. Mr. Day also stated that the Gross Towers fire alarm system will be replaced and CO2 detectors are being added to that project.

The voucher report was discussed by Aida Núñez who stated the payment standard for 2020 was being increased and this will allow residents to find affordable units in the city. She added we are also going to hand out vouchers to increase our spending so we end next year the way we are ending 2019.

The Solicitor’s report was reviewed by Mr. Perrucci who discussed the energy savings contact and that the AHA will receive fair reimbursement from Constellation Energy. He continued, we are sending correspondence to property owners in Overlook Park regarding their obligation under the special rider deed that if they sell their property within that 10 year period there is a recapture that the Housing Authority is entitled to. He added that we have located two other properties that were sold during that 10 year period that did not provide the Housing Authority with reimbursement. We are working with those title companies to receive that money before initiating any litigation.
OLD BUSINESS

There was no old business.

NEW BUSINESS

Resolution 2573 – Gross Towers Boiler Replacement

A motion was made by Mr. Senderowitz and seconded by Ms. Barnes to approve the resolution. Mr. Farrell discussed the boiler replacement and that rather repairing them, as these boilers are out of warranty, we will get a new five year warranty with new boilers.
